RBI COMPOUNDING ORDER

Compounding of FEMA Contravention — Delayed Export Realisation

Compounding Application No.: CA/FED/MUM/2022/00274

Applicant: Meridian FabTech Industries Private Limited

Contravention: Delayed realisation of export proceeds beyond the permitted period (and permitted extensions) for export invoice INV/EXP/19-20/0087, in contravention of Section 8 read with FEMA Notification 23(R)

Compounding Authority: Regional Director, Reserve Bank of India, Mumbai Regional Office

Date of Compounding Order: 15 December 2022

Compounding Amount Paid: ₹1,85,000

Status: Contravention Compounded and Closed

This Compounding Order establishes the settled position on the identified FEMA violation relating to delayed export realisation. It is relevant where the zero-rating of the underlying export is challenged on grounds of irregular realisation — the compounding order evidences regularisation, not a continuing violation.
